Broomfield Water Treatment Plant (\$9,300,000) - Superintendent

Arvada Reclamation Ponds (\$2,000,000) - Superintendent

Lafayette Water Treatment Plant Expansion (\$2,200,000) - Superintendent

Casper Ozone Facility (\$12,000,000) – Superintendent

Laramie Solids Handling Facility (\$2,600,000) - Superintendent

Laramie WY Wastewater Treatment Plant (\$10,600,000) – Area Superintendent

Fort Morgan Wastewater Treatment Plant (\$8,300,000) – Field Engineer

EDUCATION

Colorado State University
B.S., Civil Engineering, May 1995

OTHER

Systems Installed:

- Clarifiers
- Flocculation
- Aeration
- Ultraviolet disinfection
- Ozone disinfection
- Chlorine disinfection
- Chemical feed systems
- Polymer processing
- Sludge collection and filter press
- Settling Basins
- Water Filters
- Digesters
- Sludge separators
- Laboratories
- Grit separating systems
- RAS & WAS systems
- Drying beds
- Mixers
- All associated pumps, piping, blowers, conveying systems, etc.
